AIRWORTHINESS LIMITATIONS SCHEDULE

4-1. AIRWORTHINESS LIMITATIONS SCHEDULE

This schedule (Table 4-1) lists the maximum airworthiness life that various components shall remain in service. A component shall be removed from service before the airworthiness life is exceeded.

AIRWORTHINESS LIFE OF SOME KIT COMPONENTS IS NOT COVERED IN THIS SCHEDULE. REFER TO APPLICABLE SERVICE INSTRUCTIONS FOR KIT COMPONENTS SCHEDULE.

Airworthiness lives assigned to components are based upon experience, testing, and engineering judgments. Lives are subject to change at the sole discretion of an appropriate government agency.
